RE; EMPLOYMENT OF MINOR AGE CHILDREN FOR DOMESTIC SERVICES.

It has come to our notice through one of the wise and learned residences, that some flat owners are engaging minor age children's for domestic services.

- Employing under age children under the age of 14 is a cognizable offence and punishable by law. If false under the preview of human trafficking and or in contravention of child labor bill of 1986.

We strongly recommend families to terminate employment and desist from future hiring in case you are the one in question. Any failure in this regard will be reported to CWC and any please then will have to be subject to their investigation in this matter.

With Regards.
