**COVID 19 Advisory**

05.05.2020

Dear Residents

It is brought to the notice of all residents that a positive case of COVID 19 has been reported in our neighbouring society ( DELHI CITIZEN) TODAY.

The managing committee has been time and again requesting the members to be very cautious and be safe and follow the directives of the government of Delhi namely

- (1) Wearing of masks
- (2) Keep safe social distance (minimum of 1 meter)
- (3) Regularly wash your hands with soap /sanitizer.

It has been observed that the members who walk within the premises of the society are not strictly following the directives. This careless attitude of the residents should not result any eventuality . The managing committee has been educating the residents at frequent intervals. It seems the residents are not taking the directives seriously.

**This notice may kindly treated as the LAST NOTICE in this regard** . The managing committee , if it, finds the members continue to flout the directives the managing committee will have no other alternative but the report the matter to the appropriate authorities, for which the members concerned would themselves would be held responsible.
