**SECTOR 9, PLOT NO 50, ROHINI, DELHI 110085**

**COVID 19 Advisory**

10.04.2020

Dear Residents,

It is observed that the residents are moving freely in the evening and late in the night without caring or respect to the advisories issued by the agencies overseeing **CORONA VIRUS** issues and eminent Doctors of the world. Apart from this the TV Channels day and night are relaying that in order to defeat **CORONA VIRUS** one should confine himself/herself to home, wear mask when need arises to leave the house and maintain distance when in the open. With the number of **CARONA** infected individuals rising on daily basis I on my behalf and on behalf of my team urge upon you to please follow the advisory public rules of the Government and eminent medical men to keep yourself in safe zone and care for other's safety as well.

Let us all take a pledge that today onwards no moving around in the society in groups should be followed and whenever we are out on the road we should wear mask and maintain distance of at least 6 feet from one another. This discipline only can take the society to the pinnacle of Glory, good environment and good health.

**In case the rules are not adhered to, the society might get totally sealed by the concerned authorities.**

With love and regards to all,

Secretary
