It will not be out of place to mention that on 20.10.2017 SHO of Prashant Vihar Police Station visited our Society Office at 7.00 p.m. with his full team to discuss safety and security related matters. He was of the view that the following points should be taken care of by the society in the background of frequent reporting of theft cases etc.

1. Number of cameras be increased in the society complex.
2. No vendor, hawker, pizza wala, dosa wala, packed food wala etc. be allowed entry without the permission of the resident who has placed order.
3. Metal detector be installed at the gate.
4. Senior citizens should register themselves with the police station particularly those who are residing alone.
5. Security personnels are very lazy and lethargic. During course of his inspection he himself pointed out to guard to keep taking rounds instead of just sitting on the chair and gossiping the whole day. The suggestion was we should employ guards in the age group of 30-40 years preferably retired army, police personnels particularly those who failed to qualify for the position in the army or the police.

In the end we made a sincere appeal to SHO to remove the hawkers from the roads who are occupying the major portion of the road thereby reducing the width of the road ~~was~~^{to} sixty feet as against eighty feet wide road. He agreed to our request and immediately ordered his subordinates to ensure compliance in the matter. The result of his authority and commitment is there before everybody to see. The meeting was attended by the managing committee members and some residents who were available at short notice.

With warm regards

(B. K. Bajpai)
President
