MINUTES OF GENERAL BODY MEETING

Re: To all Members/Residents

Dear Members/Residents:

In a general body meeting held on 08/02/2015 the following decisions were taken.

In regard to redevelopment of the society since members were not in a favor, the matter stands dropped.

In regard to outer repairing of society, white-washing of all blocks of society and painting of grills. The matter was discussed threadbare and was decided that the matter of outer repairing of society, white washing of all blocks and painting of grills be trifurcated and estimates be taken separately. Under this agenda sewer problem of A block was also raised. It was further brought to the knowledge of general body members that since construction of the building is quite old the outer pipe lines are also badly damaged and their replacements have now become essential to avoid further damages to the building.

In regard to shifting of transformer to the corner of main park the representation given by the block residents was read. Other developments in this connection were also brought to the knowledge of the general body members such as that shifting of transformer may involve an amount of Rs. 10 lakhs; as per talk with the official of NDPL. However, the exact cost amount can be arrived at if an amount of Rs. 10000/- is deposited with the NDPL.

It was unanimously decided that an amount of Rs. 10000/- be deposited with NDPL to proceed in the matter.

ENHANCEMENT OF FINANCIAL LIMIT

After a prolong discussion it was decided that the existing limit of Rs. 25000/- be raised to Rs. 50000/-.

MARKING OF NUMBERS FOR CAR PARKING

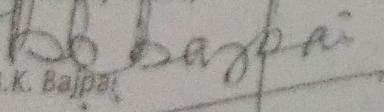

After detailed discussions it was decided that the society be divided in two blocks. B Block marking be started from small gate and A block marking be started from the temple.

RENOVATION OF MAIN GATE AND GUARD ROOM, ETC.

Since the financial limit has been raised to Rs. 50000/- these project can be taken care of.

The meeting was concluded with warmest Holi Greetings.

Sincerely Yours,

B.K. Bajpai
Secretary
