With this the accounts for the year 2019-2020 were passed by the august house. Mr M.K Sharma raised the question on parking of vehicles in very haphazard manner to this Under point no 3 the Secretary, in view of indiscipline on account of the parking of cars within the society complex, requested the members present that the managing committee may be allowed to engage valet driver operator. They would take charge of all the incoming vehicles and park them in a orderly manner.

In view of the tentative expenditure involved being high and keeping in mind the safety of vehicles, Mr Marwah expressed his view to drop the idea of engaging a valet driver operator. He spoke quite vehemently as to why an additional expenditure be levied on the flat owners who do not own a vehicle and should be ideally levied only on the residents who own cars. As unanimity on the issue was not reached the matter was dropped until further notice. Under this topic Mr. Shami expressed his desire that the transformer boxes and the staircase railings of all the blocks be painted being shabby and giving a bad outlook to the interiors of the society,

With this the meeting concluded with a vote of thanks to the Vice President.
