REG : Sanitization of the Society

Dear Members / Residents,

As all of you are aware of the threat arisen due to COVID 19 world over. We as an abundant precaution have sanitized the entire railings of all the blocks , entry gates of all the flats and the main gates to mitigate the impact of CORONA VIRUS. Although this is not the only cure, but the safest bet is to stay at home and stay safe.

The society has now purchased the spraying machine and the chemical and we will be sanitizing the complex twice a week ourselves and we need not go to MCD or the counselor for their favour any more.

All are again requested to please remain at home and stay safe and blessed.

LOVE TO ALL.

SECRETARY
