Re.: Segregation of waste

This is to inform all the residents that MCD has launched a campaign in each and every society of Rohini zone to ascertain whether the flat owners/residents are complying with the rules laid down by NGT with regard to segregation of waste. The MCD officials would be visiting soon in our society and will be moving door to door to find out as to which flat owner is not complying with the rules. In case during the visit if the staff so deputed comes across a flat owner who is not complying they would have authority to challan/penalize the flat owner. Therefore in order to avoid penalty and challan all the flat owners are requested to please hand over the waste duly segregated to the picker who is engaged by you to pick the waste. In case the picker refuses to accept the segregated waste you are requested inform the Managing Committee immediately so that we are able to take appropriate action against the picker.
