Re.: Upkeep of the structure

Dear Members,

We direct your attention to our circular dated 18/8/2017 for payment towards Block repairs/replastering outer walls of all the blocks.

Having issued numerous circulars and discussed in GBM incessantly, your silence and tepid response reaffirms our belief that the residents have left their safety to providence and so we leave you with it and the repercussion that ensue thereafter.

Without much ado requesting residents of B 111 to 156 to remit their share of instalment amounting to Rs.20000/- by 7th September positively.

Full payments will be a guarantee to kick start the work for that respective block immediately. For your immediate information we give below the details of amounts received so far from B block and A block flat owners:-

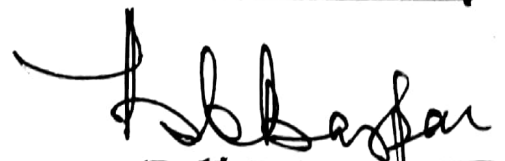

B 1 to 110

payment received from B-38, 42, 47 and 106 only so far

A 1 to 7 and
15 to 38

payments received A 6, 18, 19, 20, 22, 23, 25 to 30, 33, 38

With warm regards,

(B. K. Bajpai)
