### Welfare Fund for Staff Members

In the General Body Meeting held on Nov 20, 2016, there was a proposal to create welfare fund for staff members to meet out an emergent need undergone due to any unfortunate unforeseen mishap while on the duty.

As such we are putting a sealed cash box at the Guard Room adjacent to main gate. Donors are requested to donate generously so that any unfortunate accident suffered by any of the staff member is compensated amicably. Box will be unsealed quarterly and collection will be counted in the presence of five committee members.
