Dear Residents,

Re: Oriental Apartment's users in
New Era in Entry-Exit System by
going DIGITAL

As already informed to all the residents that
Society is going DIGITAL with regard ENTRY and EXIT System
w.e.f 2nd Feb 2018. We are placing below the benefits of
going Digital era:

- (1) Real Time information with regard to Maid's
arrival & departure in & from Society's Complex;
- (2) Emergency Button to inform neighbour's family
members and Guard that you are in trouble;
- (3) No Pizzawallah, Attawallah, Raddiwala, relative
visitors and such other strangers can make entry
without your approval

To make the programme successful a team of
Service provider will visit each flat about the implementation
of working of System. To this effect all you need is to give
mobile no. of the person who will be available most of
the time in the house.

With warm regards,

Abhishek
President.
